To: The Consultant Gastroenterologist
Northfield General Hospital (synthetic)

Dear Colleague,

Thank you for seeing this gentleman, who has been under review in this clinic for anaemia over the past several months. He was recently admitted and discharged from your institution.

I would be grateful for your assessment regarding further evaluation of possible gastrointestinal blood loss. He remains on oral supplementation and reports ongoing fatigue.

I have not enclosed the recent inpatient investigations; please refer to the hospital record.

With thanks,

Dr. R. Nair (synthetic)
